COMMUNICATION FROM THE HONORABLE TED POE, MEMBER OF CONGRESS

The SPEAKER pro tempore laid before the House the following communication from the Honorable TED POE, Member of Congress:

HOUSE OF REPRESENTATIVES,
Washington, DC, March 12, 2013.

Hon. JOHN A. BOEHNER,
Speaker, House of Representatives,
Washington, DC.

DEAR MR. SPEAKER: This is to notify you formally, pursuant to Rule VIII of the Rules of the House of Representatives, that I have received a subpoena, issued by the United States District Court for the Eastern District of California, purporting to require certain responses to a questionnaire in connection with a civil case.

After consultation with the Office of General Counsel, I have determined under Rule VIII that the subpoena seeks information that is not "material and relevant" and that it is not "consistent with the privileges and

rights of the House." Accordingly, I intend to move to quash the subpoena.

God and Texas,

TED POE,
Member of Congress.

CONDEMNING ATTACK ON IRANIAN DISSIDENTS

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I rise in support of Judge Poe's House Resolution 89, condemning the terrorist attack on February 9, 2013, at Camp Liberty in Iraq and requesting the prompt and safe return of the residents to Camp Ashraf.

This attack has demonstrated that the living conditions of the residents are being threatened and their safety is in jeopardy.

The United States needs to help facilitate the return of the residents for their own protection to Camp Ashraf, located also in Iraq, where they have safer facilities and a better infrastructure that may sustain future attacks—yes, future attacks. According to press reports, Mr. Speaker, the Iranian Quds Force intends to attack Camp Liberty again with rockets and mortars.

Mr. Speaker, time is of the essence. I urge the U.S. House of Representatives to debate the Poe bill on the floor immediately due to the urgent humanitarian situation that the residents are facing.

CONGRATULATING SERGEANT GEORGE FOR HIS PURPLE HEART

(Mr. SWALWELL of California asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SWALWELL of California. Mr. Speaker, I would like to take this opportunity to recognize the sacrifice and selfless service of Marine Sergeant Zachary George, who was born and raised in San Ramon, California. He and I even went to the same elementary school.

Sergeant George was wounded in Afghanistan on February 4 while honorably serving on his third tour of duty abroad. Last Tuesday, March 5, President Obama awarded Sergeant George the Purple Heart for his heroic efforts.

Last week, I had the honor of meeting Sergeant George at Walter Reed National Medical Center. His perseverance and positive outlook inspired me and should serve as an example to us all.

I thank Sergeant George for his brave actions, and I congratulate him on the prestigious achievement of a Purple Heart. His courage in combat and his honor to our country, our community, and the 15th District should forever be remembered.

Sergeant George exemplifies the Marine Corps' values of honor, courage, and commitment every day. His selfless service reminds us that, as a Nation, we must pledge that when our

troops return home we leave no servicemember behind.

Along with Sergeant George's fellow marines and servicemembers, I sincerely thank Sergeant George's family for their sacrifice and service to our country. I wish Sergeant George a speedy recovery in North Carolina, where he resides with his wife and infant daughter.

THE UNAFFORDABLE AFFORDABLE CARE ACT

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, the Federal Reserve, on Wednesday, March 6, released an edition of its so-called "beige book" that said that the President's Affordable Care Act is being cited as a reason for layoffs and a slowdown in the economy and a slowdown in hiring. The beige book examines economic conditions of the Federal Reserve districts across the country through interviews with key business contacts, economists, and market experts in each district.

The Federal Reserve noted:

Employers in several districts cited the unknown effects of the Affordable Care Act as reasons for planned layoffs and reluctance to hire more staff.

Supporters of the Affordable Care Act refer to the nonpartisan Congressional Budget Office, which noted the law will have only mildly negative employment effects. Such defenses are far cries from the claims used by supporters of the bill to force passage in 2009 and merely remind Americans of the countless broken promises that now define the so-called "Affordable Care Act."

The writing is on the wall, Mr. Speaker. The reality is the Affordable Care Act is costing American jobs. As more of its regulations go into effect, the more employers are going to alter their hiring decisions to account for its unaffordable costs.

THE PATH TO PROSPERITY IS A TRIP TO NOWHERE

(Mr. TAKANO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TAKANO. Mr. Speaker, I rise to address the so-called "Path to Prosperity" that was released today by the distinguished gentleman from Wisconsin (Mr. RYAN).

As a freshman Member of Congress, I was hoping to look at the Republican budget with a fresh set of eyes and focus on areas where both parties, Democrats and Republicans, can agree. Too often Congress focuses on what divides us and not what unites us. But looking at the gentleman from Wisconsin's proposal, all he's given us are
